

Technical Data Sheet

Elements	Volume
Model	Hawk
Operating Elements / rotary switches	Up to 2 joysticks or up to 6 linear levers (maintained or spring-return) with side push buttons Up to 6 combinations of toggle switches and 8 one-step push buttons
Supply Voltage	3.7V
Unique Combinations	Over 65,000 combinations
Emergency stop switch	Yes
Frequency Ranges	433.000-434.775 MHz
No. of Channels	69 Channels
Frequency Management	Manual Frequency Switching
Activation Type	Button Combination ,Card Activation(optional)
IP Protection	IP65
Antenna	Internal
Battery Technology	Li-Ion Battery, 3.7V 9000mAh
Continuous Runtime	Approx. 22 hrs
Operating Temperature	(-)20 to 70 degC
Material of Enclosure	ABS Plastic
Feedback type	LED status feedback, LCD feedback, Vibration alarm
Weight	Approx 1.5kg
Dimensions	L270 x W146 x H175mm
APCO(Automatic Power Cut-Off)	Approx.5 min after last Input Command
