

Technical Data Sheet

Elements	Volume
Model	Swan L
Operating Elements	12 one step push buttons
Supply Voltage	4.5V
Combinations	65,000 Unique Combinations
Frequency Ranges	433.000-434.775 MHz
No. of Channels	69
Frequency Management	Manual Frequency Switching
Activation Type	Button Start
IP ProtectionI	P65
Antenna	Internal
Battery	3 x AA type battery
LED Status	Battery/ Communication
Temperature	(-) 20 degC to 70 deg C
Dimensions	L160 X W78 X D34 mm
Weight	180 gms
Enclosure Material	ABS Plastic
APCO(Automatic Power Cut-Off)	Approx.5 min after last Input Command
