

Technical Data Sheet

Elements	Volume
Model	Swan S
Operating Elements	6 one step push buttons
Supply Voltage	4.5V
Combinations	65,000 Unique Combinations
Frequency Ranges	433.000-434.775 MHz
No. of Channels	69
Frequency Management	Manual Frequency Switching
Activation Type	Button Start
IP Protection	P65
Antenna	Internal
Battery	3 x AAA type Battery
LED Status	Battery/ Communication
Temperature	(-) 20 degC to 70 deg C
Dimensions	L119 X H65 X D26 mm
Weight	150 gms
Enclosure Material	ABS Plastic
APCO(Automatic Power Cut-Off)	Approx.5 min after last Input Command
